## INTRODUCTION

Ohio does not claim to have the largest amount of Polled Shorthorns in number but all herds are built rich in breeding and quality. Most herds have been built with a purpose in mind and that is quality and type, plus breeding. All of these factors have proved themselves in previous auctions because the Ohio Polled Shorthorn Breeders hold to date the top average of any State Association. I am sure if you study this catalog carefully you will find that these cattle offered are as richly bred as ever to be found in any state sale regardless where held. I have personally inspected the greater part of the offering and must say regardless who you are or what distance you travel you will not be disappointed in this grand offering. Come early and witness the show and study this grand offering of cattle.

Paul F. Lehnert—Sale Manager.

Littlebrook Crown—This rich dark roan son of Oakwood Crown Command, is short of leg, deep bodied, short coupled and full of quarter with a head that indicates he should be another 100% de-horner. His dam was one of the top females in the 1945 Teegardin sale, is a heavy milker and a cow with depth and thickness. His heritage is unquestioned, his color and his type are right and he is qualified to satisfy the critical herd bull buyer.

**MISTY VALE HERCULES X**

Here is a son of Oakwood Esquire, although young he will grow into a profitable young sire.

**OAKWOOD ESQUIRE X**

This great bull has proved himself one of the top sires in Ohio. He is a son of International Grand Champion Oakwood Merry King. A number of the top cattle in the 1945 Ohio Polled Sale were sired by him. Dr. Parke G. Smith is again offering one bull and three outstanding females by him in this sale.

## STEER SHOW and SALE

There will be a Polled Shorthorn Steer Show immediately after the judging of the sale cattle. These steers will be auctioned for sale at the close of the breeding cattle sale. Approximately twenty head of steers have been consigned by Ohio Polled Shorthorn Breeders. These steers are the right ages for 4-H Club or F. F. A. projects for 1947.

Here is a chance to obtain a good steer. Polled Shorthorns are progressing rapidly among all feeders who appreciate weight for age.

The top steer of the Ohio State Fair of 1946 was sold at forty cents a pound by P. G. Ross of Mansfield, Ohio. This calf out-sold all breds in the auction.
